SMART MARTHA SEMINAR: Hey Moms! Does this sound familiar? *I want to be like Mary and spend time with Jesus, but I really do have to get the dishes done. I want to spend more time reading to my children, but it seems that all I do is pick up, pick up, pick up. I want to have dinner on time, but the kids' schedules are too busy and I don't have time. I want to spend time with my husband, but I have errands to run.* If so, this seminar is for you! Led by Tami Kaiser, wife, mom of nine, author and organizer! February 9th at St. Mary's Catholic Church. \$25 includes lunch and great literature. For more information on the program, go to www.saintmartha.com and for details email Jessie Eisenmann: cj@carljessie.com.

PRO-LIFE THOUGHT: "It is especially incumbent upon those who, by virtue of their social or political position, must make decisions regarding fundamental values, such as respect for human life, its defense from conception to natural death, the family built upon marriage between a man and a woman, the freedom to educate one's children and the promotion of the common good in all its forms. These values are not negotiable. Consequently, Catholic politicians and legislators, conscious of their grave responsibility before society, must feel particularly bound, on the basis of a properly formed conscience, to introduce and support laws inspired by values grounded in human nature" - Benedict XVI, *Sacramentum Caritatis*, no.83, 22 February 2007

VOCATION VIEW: In baptism we have become children of God. We are called to live a life of holiness. Am I being called to live that life as a priest, deacon or religious?
