Car Wash for Life

Our first Car Wash for Life was held on Saturday, September 16, behind St. Angela Hall.

Car Wash for Life is a nationally organized day of support for life by over 200 youth groups.

All proceeds are donated to

local pregnancy care centers.

St. Mary's Life Teen

group was one of 6 groups participating in South Carolina.

Fifteen teens came out and washed twenty five cars led by teen chairman Randa LaBone and Amber Ciravolo.

A total of \$384 was collected and will be given to the Aiken Pregnancy Care Center.

EDGE

EDGE members met for the first time this year and worked on a service project on the school grounds. We painted the wall by the pedestrian gate. Thanks to all the teens who came out—it looks great!

A note from Joey...

Hey!!!!
Ok, so lifeteen.com now has a podcast-like a radio show that they put out every week. It's called Sunday Sunday, and Mark Hart does it, and he talks about the readings for the next Sunday. That sounds like a really neat way to prepare for church!!!! And a lot of us met Mark Hart!! (At Steubenville ATL) Get on iTunes, and search in the search bar: "lifeteen.com"

And as if that wasn't enough, Lifeteen also makes XLTs available for download now as mp3s. XLT is almost like a LifeNight—each week a speaker talks about a different subject. Back in the old days, you could stream them over your computer, which meant you had to be right there at your computer. Now you can listen while you're on the way to school, or running, or in math class! (Math is important though, like, you need math to serve God basically) So I know it might sound a little tacky, but the XLTs have helped me a lot, when I'm having a bad day or have a question about something.

So yeah I know not everyone has MP3 players, but for those of you that do, this might be sort of cool.

Good luck with Lifeteen and the selling of the cotton candy!
