

VIRTUS® PROTECTING GOD'S CHILDREN PROGRAM™
TOUCHING SAFETY FOR CHILDREN

What is the Touching Safety Program?

The creators of the Protecting God's Children® program developed the Touching Safety program. This program is provided to us by the Diocese of Charleston and is a part of our ongoing effort to help create and maintain a safe environment for children and to protect all children from sexual abuse. The program is directed to the children and is taught on an age specific basis (Kindergarten through High School) and will help them with their own personal safety. If you care to view the programs they are accessible by clicking the National Catholic Risk Retention Diocese of Charleston Lesson link,
