

Family & Friends,

I wanted to give you an update on what's happening and invite you to experience my new website that will allow you to really get a better idea of life in Rome and my life as a seminarian. I will be closing my blog site at blogspot.com since I'll be blogging from my webpage "The Brother"  
[www.thebrotherinrome.com](http://www.thebrotherinrome.com)

Take a look and feel free to make suggestions. Know of my prayers from abroad. We may be 1000's of miles away, but you're all in my prayers. Let others know about my website as well if you feel they might like to know.

To unsubscribe to occasional emails and updates, just email me. No worries!

God bless you,
