

Diocese of Charleston Continuing Educational Opportunities Day

An "Aha" Seminar

Ministry with Millennials is an eye-opening seminar that clears the haze behind many teens' polite disinterest in church, religious education, and youth ministry.

Moving well beyond what we are doing wrong, this interactive and media rich presentation carefully organizes and clearly articulates the needs and perspectives of Millennial Generation teens.

And in the end, you will walk away with practical and real-life strategies for reaching 21st century teens.
